

Which prescription for you?

Test your sight.
Read the text without glasses.

1
Print out this test

2
Place the test 35 cm/14 inches from your eyes.
Or about the length of your forearm.

3
Read the text below without glasses, starting from the top.
When you begin to face difficulties, note the number on the left of that text line. This number corresponds to your dioptré.

Glens reading glasses enable you to see better from closer, anytime, instantly.

A mini-revolution combined to design, optical quality, comfort and incredibly lightweighted!

In the car, at home, in your pocket, in a bag - Glens can be anywhere you want it to be.
